ALPHA - SIL  
STYLE 600

## DESCRIPTION

Alpha-Sil Style 600 is a medium weight silica fabric, tan in color, with superior physical and thermal characteristics compared to traditional silica fabrics.

## APPLICATIONS

Alpha-Sil Style 600 is intended for use in any application where high heat resistance and thermal protection is required, such as furnace curtains, stress relieving blankets, welding blankets and other heat shielding applications.

## ADVANTAGES

The unique properties of Alpha-Sil Style 600 make it an extremely cost-effective alternative to regular silica fabrics with superior physical properties, such as abrasion resistance and breaking strength, as a bonus.
