BAGS FOR HAZARDOUS WASTE REMOVAL

(click on thumbnail to enlarge)

Champion Plastics is an ISO certified facility and manufactures a wide range of bags for the hazardous waste removal industry including:

Asbestos
Nuclear Waste

Biohazard
Radioactive
Lead

Medical Waste
Soiled Linen

Champtuf® bags are designed and proved to maintain their integrity in the handling, hauling, and disposal of hazardous waste material under the toughest conditions.

All of our bags and liners meet Federal, State and Local Regulations.

Customized printing is available to meet your company specifications and regulatory requirements.

Champion Plastics' bags are available in a rainbow of colors, printed random or registered, up to 10 colors. Our products perform to your highest standards and stand up to your toughest challenges.

For the extensive product selection you need, the best price, finest quality, fastest lead time, and a sales staff that works for you, call Champion Plastics – the solution for all your packaging needs.

Hazardous & Medical Waste Bags
